

I'm sure you are aware of Sinclair's plans to compel their affiliates to show what's basically a 90 minute campaign commercial during prime time just before the election.

Here are a couple of news stories about Sinclair's plans:

Sinclair's CEO, VP and EVP have all contributed the maximum amount allowable to George Bush's campaign. And the VP has given \$50,000 to the Republican National Committee. There can be little doubt about the intent of the program they are about to air or their reasons behind it's timing. You must realize that this abuse of the airwaves will NOT be forgotten or forgiven. I ask you to consider this behavior when their license comes up for renewal.
